The new incarnation of New York's famous craft beer institution finally opened in March 2007 after a long delay. About 30 interesting and ever-changing craft beers are on tap and cask (at least three, two on beer engine and one on gravity), rare bottles, and good, filling bar snacks. There are frequent special events involving a guest brewery or a special tap selection, usually with complimentary cheese. One of the very best beer bars to the point that it has a cult following around the world. Do not miss! Open 11.30am to 4am daily.

Subway: Christopher Street – Sheridan Square  or West 4th Street
